Expense report submission process to your accounting system

01 Tumodo sends a notification to the employee to submit expenses

02 The traveller adds additional expenses to the trip

03 Tumodo automatically compiles an expense report (including daily allowance, other expenses and uploaded receipts)

The report is submitted for approval to the finance team

04

The report is transferred to your accounting system

05

All that's left is to sign the documents. You can sign them online if integrated with the electronic document management system.

Policy nudges to encourage low-impact choices

Meeting your duty of care, wherever your people are

Geopolitical risks, regional instability and sudden disruptions can affect travel at any moment, making employee safety a growing priority for companies.

With Tumodo, companies always know where their people are, what's happening around them, and how to act fast if anything changes

- Customise approval workflows — from one-step approvals to multi-level reviews with several decision-makers.
- Backup approvers can be assigned to keep the process moving when primary approvers are out of office.

Why switch to Tumodo?

Transparent pricing — no hidden costs

Direct supplier
prices, no markups.

Every feature
included —
no upgrades,
no extra fees.

01

Live in 24 hours — not in a few months

Travel policy and
approval flows set
from day one.

No implementation
project, no consultant
required.

02

Built around your company — not around a one-fits-all template

Custom approval rules, cost centre
structure and travel policies that fit how
you actually work.

Real human support — not a ticket in line

At Tumodo a travel
specialist picks up —
not an AI-bot.

What our clients think of **Tumodo**

We chose **Tumodo** for their wide range and flexible pricing. Now, we often get cheaper rates, and any issues that arise are addressed quickly and effectively.

● Paula Barrios Eguico
Dubai Auto Gallery Assistant Manager

Tumodo opened up a whole new level of automation and made business travel feel effortless. Huge thanks to the team for the smooth onboarding and support throughout.

● Shabbir Barbhaya
Trans Light Electricals Managing Director

One of the most gratifying moments since partnering with **Tumodo** was managing a short-notice trip for a group of 35 employees who needed to deploy overseas swiftly. Instead of feeling overwhelmed and rushed, we efficiently coordinated travel arrangements and successfully sent our team off on time.

● Page Chua
Al Sahraa Travel Manager

Try Tumodo for free before making a decision

- **Your company, your data, your rules.**

We configure Tumodo around your actual travel policy, approval flows and cost centre structure — not a demo environment.

- **Up and running in 24 hours.**

Full platform access from day one: booking tool, GoBD-compliant document storage and 24/7 traveller support included.

- **When you're ready, we're ready.**

No six-week implementation. No consultant handover. If you decide to stay, nothing changes — you're already live.

- **Your team travels, we prove the ROI.**

Time saved per booking, policy compliance rate, spend visibility — measurable results before any contract conversation.

- **No markups, no paywalls.**

During the pilot you see the real product at real prices — transparent supplier rates, every feature unlocked.
